#### STRONG Recommendations:

1. Do not arrange to submit the nomination papers on the last day as if there is a difficulty the Candidate may not have time to amend any defects.
2. In advance of the appointment with the Returning Officer, a Non-Party Candidate availing of the Assentor procedure should ensure that the 30 Statutory Declarations are completed by the Assentors at the County Council Office in the presence of an authorised official of the Registration Authority This ensures that the process can be completed within the one hour available to the Returning Officer as set out by Statute.
